IN MEMORIAM

All Marple and Newtown mourned the passing of Miss Helen Yeingst last April. Her loss was felt most deeply by those who had known and loved her – fellow teachers and her many students. The impression she left upon their lives is indelible.

Miss Yeingst came to Marple-Newtown in 1935, having graduated from Susquehanna, Dickinson, and Temple Universities. During her twenty-three years here she served as head of the English Department, guiding light to two decades of Seniors, advisor to the ever-growing Yearbook, and in many other vital capacities. Largely through her untiring efforts Marple-Newtown developed a first-class college preparatory course. It was she who brought here the Tri-Hi-Y, Scott's Hi-Q, and the annual Magazine Drive.

To the memory of this great lady, Miss Helen E. Yeingst, we of the Senior Class humbly dedicate our Memories of 1959.

Library Archives

From Marple-Newtown's humble beginning in this octagonal schoolhouse came the inspiration for bigger and better schools, until in the year 1932 our school became large enough to publish a yearbook. Since then, MEMORIES has grown with each succeeding year. Only during the war years was there any interruption in its publication.

We, the staff, are proud to present this, the 25th edition.

THE 25th ANNIVERSARY

UR ADMINISTRATION SPEAKS. .

I extend my congratulations and best wishes to you, the members of the Class of 1959, on the successful completion of certain prescribed courses and curricular offerings at Marple-Newtown.

Your high school graduation is an important event. You will refer to the date of your graduation time and time again as the beginning of a new series of events in your life. This new series of events will include college experiences for some of you and work experiences for others. It includes for each of you participation in the events of the community and of the world as a young adult. Your high school preparation of this role terminates with commencement. Now it is up to you to put this preparation to work as you continue your education or enter one of the occupations as a career.

I invite you to call on your school for any assistance which we can render in helping you to achieve the goal of your life. My best wishes to each one of you for happiness and success in the endeavor of your choice and in the total area of life activities.

KERMIT M. STOVER,
Superintendent

Young people of this generation, as probably no other generation, have been concerned with and disturbed by a sinister type of thinking. This school of thought would have you believe that the cynical attitude toward personal behavior, the fast buck and the broken law are to be desired. This attitude, and the resultant poor outcomes are the unusual rather than the usual in our school community.

Moral values, accepted truths and proper behavior have not changed. Strength of individual character is as necessary and important today as at any time in history. It is probably more prevalent than we realize. Because the small minority who dangerously skirt the moral and civil law is unusual, this fact causes them to become conspicuous.

Each of you can make the greatest contribution to yourself, your family, your school and your country by developing a steadfast, useful and worthy character. You will have many well-wishers at this graduation who desire your success in your chosen occupation or profession. It is my opinion that this will become a meaningful reality through strength of character. Best wishes!!

H. E. Rathey
Principal

P. T. A.

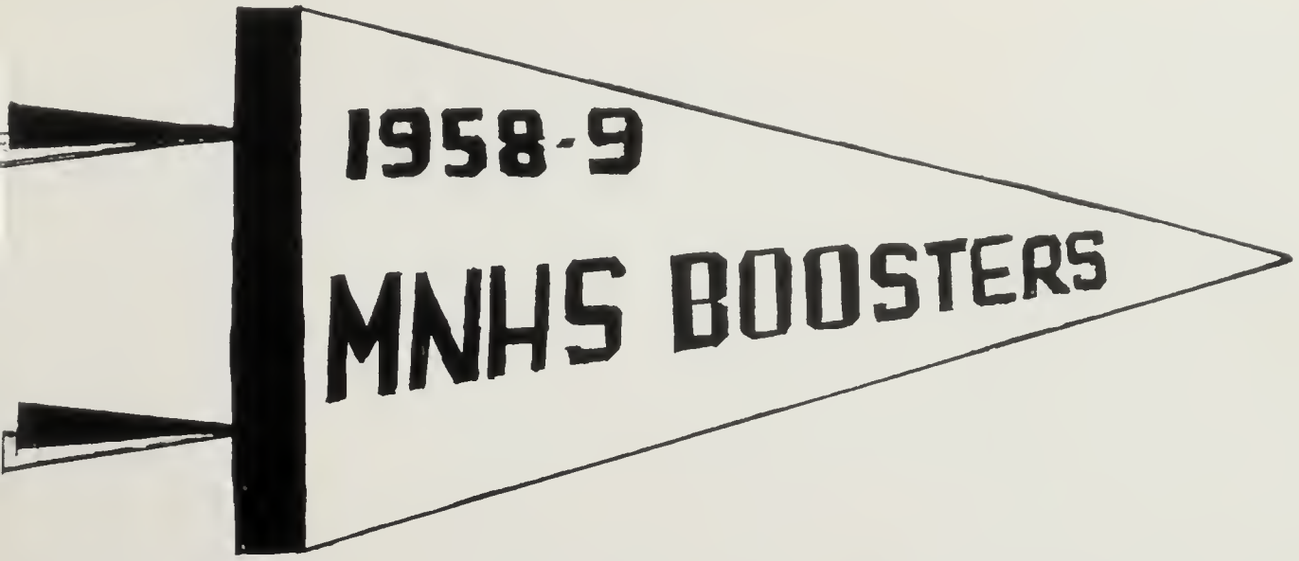
The purpose of the Parent-Teachers Association is to bring our parents into the teacher-pupil relationship.

The P.T.A. worked unceasingly this year to bring the parents and school into this ever closer bond. By sponsoring an Open House in which parents followed their childrens' schedule the parents and teachers were brought together for their mutual benefit. An Exchange Sale and various other projects supplied money for the annual P.T.A. scholarship, this grant of $500 being given each year to a deserving Senior.

As with the trend of the country as a whole, this year Marple-Newtown has incorporated an advanced academic course into the curricular of our high school. This course offers accelerated subjects to able students. This curricular committee now plans to investigate the present Commercial and General courses and propose needed changes.

This is only one of the many facets of the P.T.A. activities and we know that the community and our parents are behind us in our various phases of activity at M.N.

SCENES



Marple-Newtown's Booster Club has supported our sports activites for many years. They are the hard-working people who sponsor the All-Sports banquet in the spring of each year and who purchase blazers and sweaters for the athletes who qualify for them.

To raise money this year they sold booster buttons and sponsored the first dance of the year, the fourth annual Tiger Trot, which was held in September in the high school gymnasium.

The M-N Booster Club is an organization which promotes school spirit at our interscholastic games. Let's get behind them and BOOST M-N'S BOOSTERS!

Front Row: Mrs. Duncan, Mrs. Knorr, Mrs. Jewett, Mrs. Walton. Back Row: Mr. Engle, Mr. Rathey, Mr. Duncan, Mr. Taylor, Mr. Heym.

POLICY MAKERS

Our School Board has guided us, with unceasing diligence, through the difficult transition period now behind us. Its job has been to formulate the policies which regulate our school life. The School Board members are: in front of table; Mr. G. B. Young, Mr. J. Shearn, Mr. I. Niemeyer, Mr. T. Darrah, Mr. R. H. Smith, Mrs. M. Wheaton; behind the table; Mr. K. Stover, Mrs. J. HONOR GUARD

OUR ALMA MATER

Lift your hearts to old M.N. High
For the service she has done for thee.
Hail! Oh, Hail! Alma Mater dear,
With our songs of love and loyalty.
We survey with all pride and joy
Precious mem'ries of the days gone by,
And instilled in our lives we find
Ideals formed in Marple-Newtown High

L.R. Mr. D. Curtis, Mrs. V. Egner, Mr. T. Garbrick, Mr. B. Dimmick, Mr. J. George, Mr. R. Wickstrom, Mr. P. Oberholtzer.

SENIOR ADVISORS

We would like to take this opportunity to express our heartfelt gratitude to our Senior Advisors for the guidance they have given to us throughout this year. Behind every Senior activity was one of these selfless teachers.

Special thanks should go to Mrs. Egner for her tireless work with Concessions and the Senior Breakfast.

"Kingpin" of the Christmas Card Drive, Mr. George, deserves special mention too. It was he who kept the orders and accounts straight, and the class in the black.

Mr. Dimmick, who handled the multiplicity of details concerning the Prom, was in no small way responsible for the success of that event.

In conclusion, we want to re-express our gratitude for their efforts and say "THANKS!"

TRI-HI-Y

Mrs. C. Jardine, Advisor

The Tri-Hi-Y is a long-standing girls' organization which proves that serving others can be fun.

This year, after initiating 22 members, the club raised funds for their service projects by selling Mums at the Thanksgiving Game and sponsoring the Sadie Hawkins' Dance. During the Yule season they treated the children at the Chester Day Nursery to a Christmas Party featuring games, refreshments, and gifts. In the spring the girls sold Easter eggs and candy, and culminated a busy year with their always-popular Mother-Daughter Banquet.

Tri-Hi-Y officers were: President, Ann Ortlip; Vice President, Dale DePova; Corresponding Secretary, Jeanene Bricker; Recording Secretary, Kathy Nailor; Treasurer, Janet Nussle; Chaplain, Priss Pellanda; Sergeant at Arms, Gwen Kay.

ROW 1: Larry Ricci, Frank Moran. ROW 2: David Rogers, Richard Buzby, Steve Adams, Lee Hecht, David Rich, James Cavallero.

HI-Y

One of M–N's service organizations, the Hi-Y, had a very eventful year. Among the many activities undertaken by the club were the selling of $40 worth of mints for world service and the sharing in organization of the Sweetheart dance.

The year was climaxed with the presentation of a gift to the school by the officers on behalf of the club. The officers are: Dave Rogers, President; Lee Hecht, Vice-President; Dick Buzby, Secretary; Larry Ricci, Treasurer; and Neil Howard, Chaplain.

LACROSSE

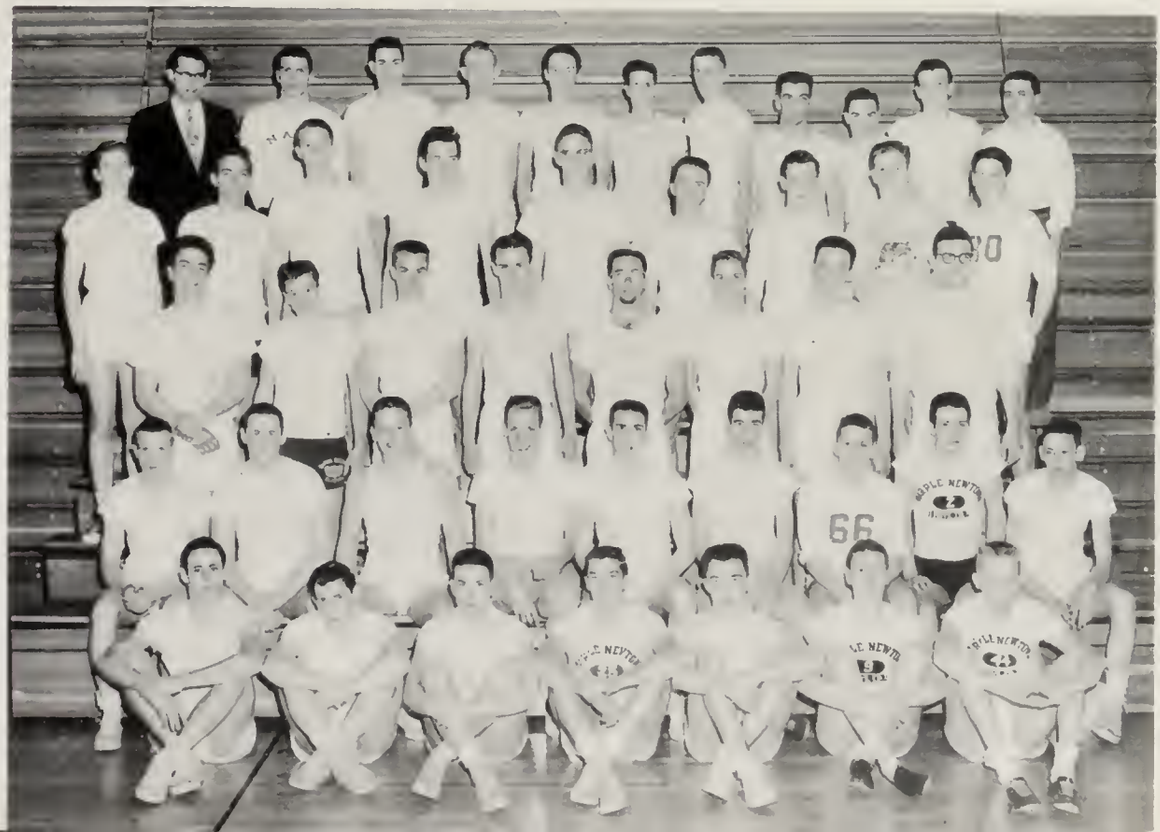
Early birds seems to be a fitting caption for these girls. When this picture was taken it was early in the season, and they didn't even have their uniforms. Everyone is waiting enthusiastically to give their best wishes for the coming season. With the help of the coach, Mrs. Stanley, and the captains, Arleen Walton and Gwen Kay, we can be sure that they will lead our team to a record that any school would be proud of.

TRACK

During the Spring of 1958 MNHS formed for the first time in its history a track team. Although considered a minor sport, the support for this activity was overwhelming. The record was terrific, and this year, for the first year in league competition, prospects are for another wonderful season.

EARLY BIRDS

1st row: S. Wertheimer, N. Palculich, L. Hanley, J. Paarz, K. Waldrip, L. Hecht, G. Matters. 2nd row: E. Lundquist, D. Welch, R. Way, H. Jones, J. McCley, R. Lawson, C. Duzy, D. Whitesell, A. McGinley. 3rd row: F. Fels, D. Nuss, R. Buzby, A. Oakes, R. Gascoigne, R. Basener, A. Gregory, J. Grossman. 4th Row: G. Maule, R. Compton, C. Osolin, D. McEwan, R. Courbis, S. Gill, W. McCauley, G. Koenig, W. Rich. 5th row: Coach D. Curtis, T. Campbell, S. Shawhan, C. Fry, G. Young, H. Breugel, P. Davis, H. Shupard, J. Fowble, Mgr. T. Morgan, Mgr. J. Cavallero.



BASEBALL

Although it was early in the baseball season when the yearbook went to press, the prospects for the team's record was terrific. In the 1958 season the team came out with a great record resulting in the awards of championship jackets. This year many that were on the winning team are back for more. With all the new faces and techniques we are sure that the team will have another great season.

AT WORK AND PLAY

MAY 22 to JUNE 21 (Gemini) — This can be a productive, productive day especially if you control your emotions and are careful in financial transactions. Maintain a realistic viewpoint in all things.

JUNE 22 to JULY 23 (Cancer)—Building, manufacturing, handling produce and items for the table and personal use under benefic rays. Don't shirk duties and do be considerate of others.

JULY 24 to AUG. 23 (Leo)—Since not too much planetary help is available now, you will have to provide most of your own impetus. However, you CAN make headway. Avoid contention and you will gain benefits more quickly.

AUG. 24 to SEPT. 23 (Virgo) — Avail yourself of benefic offerings. While aspects do not particularly stimulate mental work, laborious tasks, household matters and industry are honored.

SEPT. 24 to OCT. 23 (Libra) — Teaching, nursing, entertaining, domestic interests and special service work among highly

of others the obtainment of hitherto seem inaccessible favors.

JAN. 21 to FEB. 19 (Aquarius) — You have talent and ability but may tend to be lackadaisical in effort now unless you push yourself forward. Today has unusually good advantages, seek them out diligently. TRY.

FEB. 20 to MARCH 20 (Pisces) — Without force and emotional strain, you can accomplish a great deal on this mixed but, for the most part, encouraging day. Don't fret over extraordinary demands made upon you. You can meet them easily if you remain calm.

YOU BORN TODAY: Frankness, versatility, application and unusual generosity are among your many fine assets. However, you have the innate good judgment in all things to the point where you are misled. Always direct your great energy along productive lines. Keep studying, improving but, of the time take care of your health.

To the Senior Class of "59,"
Your M. N. years were very fine,
You have shown us, everyone,
That your job has been well done.

Thanks for showing us the way;
When we're a senior class someday,
We truly hope that we can do,
A first-rate job the same as you.

May success be yours forever
In all the things that you endeavor;
May the spirit you have shown,
